Patient Information

- **Cancellation Policy:** If you need to cancel your appointment, please do so at least 24-hours in advance. This allows the opportunity for other patients to schedule last minute appointments when cancellations occur. There will be a **\$40.00 cancellation fee** for all cancellations with less than 24-hours notice and for missed appointments.
- **Late Policy:** We ask that you arrive on time for your appointments. All practitioners in this office must stay on a tight schedule with all of their appointments. If you are late for you appointment, your practitioner may only spend the remaining time of your scheduled appointment with you. If time permits you will receive the full scheduled appointment.
- **Acupuncture Information:** There is a new acupuncture fee that applies to all insurance patients. If you wish to receive acupuncture along with your chiropractic adjustment, **\$20.00** will be added to your co-pay for the acupuncture treatments.
- **Insurance Payment Information:** It is important to know what your insurance covers. Please be aware that if your insurance does not cover your chiropractic/acupuncture treatments, it is your financial obligation to pay for all treatments rendered. A **Non-Covered Service Fee Discount** will be offered for treatments/therapies rendered which are not covered by your insurance company. **It is always a good idea to call your insurance company to verify that you have chiropractic coverage, and also whether your practitioner is in or out of network with your insurance company.**
